Short Rest  
Bardic Inspiration

BARD

FONT OF INSPIRATION

JACK OF ALL TRADES

You regain all of your expended uses of Bardic Inspiration when you finish a short or long rest.

At 6th level, you gain the ability to use musical notes or words of power to disrupt mind-influencing effects. As an action, you can start a performance that lasts until the end of your next turn. During that time, you and any friendly creatures within 30 feet of you have advantage on **saving throws** against being frightened or charmed. A creature must be able to hear you to gain this benefit. The performance ends early if you are incapacitated or silenced or if you voluntarily end it (no action required). (You can start a performance that lasts until the end of your next turn. During that time, you and any friendly creatures within 30 feet of you have advantage on **saving throws** against being frightened or charmed.)

MAGICAL SECRETS

SONG OF REST

You or any friendly creatures who can hear your performance regain hp at the end of the short rest by spending one or more Hit Dice, each of those creatures regains an extra 1d12 hit points.

FEATS 2

LUCKY

Long Rest 000

Whenever you make an attack roll, an ability check, or a **saving throw**, you can spend one luck point to roll an additional d20. You can choose to spend one of your luck points after you roll the die, but before the outcome is determined. You can also spend one luck point when an **attack** roll is made against you. Roll a d20, and then choose whether the **attack** uses the **attacker's** roll or yours.

Senses & Conditions

BARD

ADDITIONAL MAGICAL SECRETS

PEERLESS SKILL

When you make an ability **check**, you can expend one use of Bardic Inspiration. Roll a Bardic Inspiration die and add the number rolled to your ability **check**. You can choose to do so after you roll the die for the ability **check**, but before the GM tells you whether you succeed or fail.

CUTTING WORDS

Reaction

Also at 3rd level, you learn how to use your wit to distract, confuse, and otherwise sap the confidence and competence of others. When a creature that you can see within 60 feet of you makes an attack roll, an ability check, or a damage roll, you can use your **reaction** to expend one of your uses of Bardic Inspiration, rolling a Bardic Inspiration die and subtracting the number rolled from the creature's roll. You can choose to use this feature after the creature makes its roll, but before the GM determines whether the attack roll or ability check succeeds or fails, or before the creature deals its damage. The creature is immune if it can't hear you or if it's immune to being charmed. FEATS 1

INSPIRING LEADER

You can spend 10 minutes inspiring your companions, shoring up their resolve to fight. When you do so, choose up to six friendly creatures within 30 feet of you who can see or hear you and who can understand you. Each creature can gain 23 temporary hit points. A creature can't gain temporary hit points from this feat again until it has finished a short or long rest.

ADDITIONAL

FEATURE: RUSTIC HOSPITALITY

Since you come from the ranks of the common folk, you fit in among them with ease. You can find a place to **hide**, rest, or recuperate among other commoners, unless you have shown yourself to be a danger to them. They will shield you from the law or anyone else **searching** for you, though they will not risk their lives for you.

ITEM DESCRIPTIONS

Armor, +3 — Legendary · Magic Item

You have a bonus to AC while wearing this armor. The bonus is determined by its rarity.

you are wearing or carrying is invisible with you. You remain invisible until the ring is removed, until you attack or cast a spell, or until you use a **bonus action** to become visible again.

Mantle of Spell Resistance — Rare · Magic Item · 0 lb. · Attuned

You have advantage on **saving throw**s against spells while you wear this cloak.

Cube of Force — Rare · Magic Item · 0 lb. · Attuned

This cube is about an inch across. Each face has a distinct marking on it that can be pressed. The cube starts with 36 charges, and it regains 1d20 expended charges daily at dawn.  
You can use an action to press one of the cube's faces, expending a number of charges based on the chosen face, as shown in the Cube of Force Faces table. Each face has a different effect. If the cube has insufficient charges remaining, nothing happens. Otherwise, a barrier of invisible force springs into existence, forming a cube 15 feet on a side. The barrier is centered on you, **move**s with you, and lasts for 1 minute, until you use an **action** to press the cube's sixth face, or the cube runs out of charges. You can change the barrier's effect by pressing a different face of the cube and expending the requisite number of charges, resetting the duration.  
If your **movement** causes the barrier to come into contact with a solid object that can't pass through the cube, you can't **move** any closer to that object as long as the barrier remains.  
The cube loses charges when the barrier is targeted by certain spells or comes into contact with certain spell or magic item effects, as shown in the table below.

Ring of Invisibility — Legendary · Magic Item · Attuned

While wearing this ring, you can turn invisible as an action. Anything
