Prayer Beads — Wondrous · Wondrous Item · 0 lb. · Attuned

PRAYER BEADS (SIGNATURE ITEM, WONDROUS)
25 beads (some have symbols, some don't yet). Each bead can be used once per long rest.

USAGE
Each bead can be used once per long rest.

PRAYING MANTIS STYLE
Swiftess Effect: As part of that action you make, you can also move up to 15 ft. towards a target without provoking opportunity attacks.

IRON FEET
2x Successful Unarmed Strike (Fist).

IRON CLAD STYLE
2x Successful Unarmed Strike (Fist) iron feet = YOU gain +4 bonus to AC, and you have advantage on Strength and Constitution saving throws.

LIGHTNING STYLE
As a bonus action, make 1 attack (Unarmed) at the end; you make 1 attack; enemies within 15 ft of targeted enemy must make a CON save or take 1d6 damage as well, and have 50% to miss.

SEVEN-SIDED STRIKE
Part of the bonus action, you may quickly attack up to 3 enemies within a 20 ft radius (only 1 attack); you can't be targeted by spells and attacks, and gain Evasion (if applicable).

SEVEN STRIKES
7x Successful Melee Attacks.

MANTRA OF RETRIBUTION
You must stand still and attack, as well as maintain concentration; when one of your allies within 20 ft is hit with an attack or spell, the attacker takes damage equal to your WIS modifier.

DIVINE PALM
2/part of the action, you may dash to an ally and place your hand on them: if you do so, you leave a shiny mark on the target that lasts until the end of the next turn: if the target takes damage that would reduce them under 1 hit point, the ally then remains with 1 hit point; you also take 60% of the damage from that attack.

EPIPHANY
Part of the bonus action, you take the Dash or the Dodge action; up until your next route, a successful attack roll may grant 1 reaction; if an attack misses you, you may use 1 Ki point to make a melee weapon attack/unarmed strike.

Cube of Force — Rare · Wondrous Item · 0 lb. · Attuned

CUBE OF FORCE (RARE MAGIC ITEM)
The Cube of Force is an Unarmed Attack against the target (free): you may also spend up to 50% of your maximum Ki points to press one of the cube's faces each day, or a spell or charges based on the target face; as soon as the Cube of Force is pressed, the target is knocked 30 ft back.

ITEM DESCRIPTIONS

BEAD COUNT
25 beads (some have symbols, some don't yet).

ACTIVATION
Requires a **Bonus Action** to use a bead.

SAVING FACE
When you fail a Charisma (Deception) check, you can use your reaction to reroll the check with a bonus equal to your Wisdom modifier. Once used, this property can't be used again until you finish a long rest.

EARTH STRIKES
Strike (fist) = You may make one additional attack striking with both fists, (additional +1 to hit) dealing +4 damage with your fists.

SNAKE STYLE
2x Successful Unarmed Strike (Fist) **Lightning Strike** = enemies hit by your unarmed strikes must make a CON saving throw (Ki DC); they take 1d6 lightning damage on a fail and are stunned until the next round.

SNAKE'S REFLEXES
you may take the Disengage action this turn; grants +10 ft of movement for this turn.

SEVENTY SEVEN FISTS
any combination of melee attacks, you must attack 9 enemies with a minimum of 1 attack each; you may cast "Seven-sided Strike" again as a bonus action next turn.

MANTRA OF PERSEVERANCE
You must move at least 40 ft each turn, as well as maintaining concentration; allies within 60 ft regain spent resources once every 2 turns while affected by this (2 sorcery points, 1 savage point, 1 ki point, 1 luck point, etc.).

OPEN HAND MASTERY
increases the maximum number of Ki Points you can have by 4 and your Save DC by 2.

MONK STYLE
1x Unarmed + 1x Weapon #1 + 1x Unarmed + 1x Weapon attack: if all attacks hit, Epiphany continues for 1 more turn.

EVANESCENT SKYDIVE
This cube is about an inch across. Each face has a distinct marking on it that can be pressed. The cube starts as an action; you may use any action to press a face each day, or a spell or disease, and remove 1 level of exhaustion as a triggered effect; the cube has this single charge (excluding pressing) appears. Once used, a bonus action the large springs into existence, forming a cube 15 feet on a side. The barrier is centered on you, moves with you, and lasts for 1 minute, until you use an action to press the cube's sixth face, or the cube runs out of charges.
